# The Setting

## The Hive

A seasoned material palette of white oak casework, exposed brick walls, slatted wood ceiling, and blackened steel come together to create a warm and intimate space for your next event. A new lighting system will bring the space together with a continuous warm glow and updated audio/visual system to enhance your digital presentation.

## Pennyroyal

With a European bar feel, Pennyroyal has a combination of cocktail tables and soft seating, with marble and brass accents. The seasonally inspired cocktail program focuses on aged spirits & house-made infusions served in vintage glassware.
